5           **WHEREAS**, the Division of Intergovernmental Affairs of the Office of the County  
6           Manager presently manages Fulton County's involvement with legislative matters at the  
7           state and federal levels and also manages the County's pursuit of state, federal and  
8           private grants to support County operations; and

9           **WHEREAS**, the Fulton County Board of Commissioners has determined that the

11          is in the best interests of the citizens of Fulton County; and

12          **WHEREAS**, the Fulton County Board of Commissioners hereby concludes that  
13          taxpayer resources would be better used by eliminating the Division of  
14          Intergovernmental Affairs and redistributing certain of that Division's functions to other  
15          existing County Departments;

16          **NOW THEREFORE, BE IT RESOLVED**, that the Fulton County Board of

19          **BE IT FURTHER RESOLVED**, that, in compliance with applicable Fulton County  
20          Personnel Regulations, the County Manager is directed to take all actions necessary to  
21          transfer the grants-management function and associated personnel to the Department  
22          of Finance.

23          **BE IT FURTHER RESOLVED**, that, in lieu of hiring an outside lobbying firm, the  
24          County Manager is further directed to develop a plan for Fulton County to have a  
25          presence at the 2012 session of the General Assembly at a reasonable price.
